SBA: SDB CERTIFIED | SWAM CERT #: 708298 |VA DBE CERT#: 708298

▶ WHO WE ARE

MD Tech Solutions (MDTS) is a full-service, IT solutions composite that harnesses the needs of its Clients by providing advanced, customizable products and services driven by results delivered. MDTS utilizes several technologies and processes to achieve its success in IT systems migration, mission alignment, enterprise architecture, infrastructure scaling, and cloud solutions with focus on economies of scale. We offer cyber and physical securities to Federal, State and Local Governments, as well as Commercial Clients seeking holistic approaches to improving IT systems performance, fostering human capital, developing efficient cost-saving opportunities, while extending securely reliable virtual products and environments. MDTS prides its solutions built on clean designs, timely releases, and high-functioning virtual machines. Yet, more importantly, MDTS approaches the seriousness of securing its Client's information, systems, and IT framework, while meeting regulatory requirements. At MDTS, we provide our Clients with cutting-edge technologies, as well as the tacit knowledge necessary for progressing its business models. What has attracted our repeat patrons and partners alike, are empirical quality, self-integrity, and high-performance capability.
